Yesterday From: Ivan John Monday, 05/06 On 26 and 27 May 2017, Italy hosted the meeting of our leaders. The summit focused on foreign policy, the global economy and the reduction of inequalities, and the migration crisis.

Two days ago From: Samuel Lett Sunday, 04/06 Hello, regarding the conference, leaders called for and end of the open issue through an inclusive political process under the policies our company.

From: Lukas Coper Sunday, 04/06 Hey Laura, Leaders acknowledged that inequalities undermine confidence and limit future growth potential. They agreed to strengthen the capabilities and

05 Monday June 2017
